## Challenges facing us collectively...

1. Encouraging RNs and Students to consider OHN as a Career Choice
2. Encouraging RNs working in the field of OHN to join us
3. Engagement of Existing Members

# Registered Nurses and Students

Emerging potential solutions from National Forum:

- Access
- Engagement
- Choice

# Registered Nurses in the OHN Practice who are non-members

Emerging potential solutions from  
National Forum:

- Understanding purpose and value
- Standards of Excellence
- Reach out beyond membership

# Existing members

Emerging potential solutions from National Forum:

- Collaboration
- Communication
- Resources/Expertise
- Standards of Practice
- Support each other
- Advocacy
